- The Blunt Classic is our original high performance umbrella. This is a full sized full length umbrella, the perfect umbrella for those needing good coverage, coupled with superior performance and style.
- Every detail is considered. Blunt umbrellas have been engineered from the inside out with patented innovation.Every detail is considered. Blunt umbrellas have been engineered from the inside out with patented innovation.
- We know how frustrating typical umbrellas can be. Poor design and quality make most umbrellas susceptible to failure within months. With over one billion umbrellas ending up in the landfill every year, typical umbrellas are a significant burden on our planet.

At Blunt, we believe you shouldn’t be limited to choosing a disposable umbrella.
