Our Services

FAQS

1. Are you manufacture or trading company?

Lotus umbrella, a manufacturing and trading combo, produce and export all kinds of umbrella for more than 19 years with professional sales team.

2. Can you offer free samples? Sample time ?

As first time cooperation, we will charge little sample fee as your design set up cost. And it must be refunded after order confirmed. Samples can sent you within 5 days.

3. How about your payment terms ?

T/T : 30 % deposit ,70% balance upon copy of B/L .

4. How long about your production time ?

ETD : within 25-35 days after order confirmed.

5. How does your factory control the quality?

I. We have strict quality control system from approval each material to finish umbrella. Usually we applied AQL2.5//4.0 for inspection.
II. Before production, a pre-production sample will be made for salesman to approve. On each step production, we have strictly online QC inspection.
III. After goods finally packed in cartons, our QC inspect goods at randomly based AQL, and report will be sent to you.
