# STAND ALONE

Stand-up design,  
easy to retract.

# DETAIL DISPLAY

01

## Glass Fiber Skeleton

Fundamentally prevent rust, super-tough umbrella ribs, and creative reverse design to make the umbrella easier to use.

02

## Exquisite Umbrella

Fashionable and beautiful, anti-off-line technology, better fixed umbrella body.

03

## Quality Umbrella Beads

Nickel-plated umbrella beads, high-gloss design, durable and not easy to rust.

04

## Umbrella Handle

Using ABS plastic steel, matt rubber paint sandblasting process, delicate hand feeling, smooth experience.

# HANDS-FREE

C-shaped handle,  
hands-free, free hands at any time.
