Strong

Tips:
1. The data is measured by hand, with slight error. Please forgive me!
2. This is a real shot of real objects. There will be a little color difference due to different light and display, which is a normal phenomenon.

Colorful stripes reveal colorful pursuits of life,
In his vigorous youth,
You have to let yourself be bold to find what really suits you,
Two-color combination is another panacea for bright stripe rhythm,
However, the youth of twenty is best illustrated in the highly changing colors and patterns.
Classic
stripes
