Packing and transportation

Common problems

1. Are you a manufacturer or a trading company?

Of course, we are a professional manufacturer with more than 19 years experience.

2. Can I provide free samples? Sampling time

When you cooperate for the first time, you'll charge a small sample fee to build the project. Your order will be returned after confirmation. You can send samples within 5 days.

What is the payment terms?

T / T: 30% deposit, 70% balance of copy of bill of lading

How long does it take to produce?

ETD: Within 25-35 days after confirming the order

5. How can we manage the quality of the factory?

I. From the approval of each material to the end of the umbrella, we have strict quality control.

Generally, see AQL 2.5 // 4.0

B. Samples are approved by suppliers before production. We carry out strict quality control online at each step of production.

III. When the item is packed in the box, our quality control will use AQL to randomly inspect the product and send the report.
